### **1. Description:**

The wreckage of a ship piloted by Bounty Hunter Annie "Shorty".

Not too long ago there was a prison break by some [Rogues](#) from a Sugarland work convoy in the East Dallas Debris Field. They fled into the Pequena Negra Cloud, pursued by a Bounty Hunter named Annie "Shorty" Davis. She flew a nice rig called "the [Avenger](#)." The [Rogues](#) eventually doubled back and escaped through the [California](#) Hole. Annie must have gotten confused in there, or maybe her ship was damaged by some enemy fire. Either way, she never emerged from that dark cloud.

### **2. Content:**
