1. Description:

The wreckage of a ship piloted by Bounty Hunter Annie "Shorty".

Not too long ago there was a prison break by some <u>Rogues</u> from a Sugarland work convoy in the East Dallas Debris Field. They fled into the Pequena Negra Cloud, pursued by a Bounty Hunter named Annie "Shorty" Davis. She flew a nice rig called "the <u>Avenger</u>." The <u>Rogues</u> eventually doubled back and escaped through the <u>California</u> Hole. Annie must have gotten confused in there, or maybe her ship was damaged by some enemy fire. Either way, she never emerged from that dark cloud.
