1. Description:

The wreck of the "Hosho Maru", a [GMG](#) exploratory vessel in search of [H-Fuel](#).

An exploratory [GMG](#) expedition consisting of the "Hosho Maru" and her two escorts was sent into [Omicron Beta](#). The last communication from the three ships was garbled, but it appears that instead of finding [H-Fuel](#), there were [Alien Organisms](#) for the taking. Soon after, a brief distress signal fragment suggests the convoy was being attacked by some unknown enemy. No further transmissions were received.

2. Content:

4x [Adv. Starbeam Turret](#), 2x [Adv. Starbeam](#), and 180 units of [Alien Organisms](#).
