## 1. Description:

The Molly fighter Vanguard was on a <u>Gold</u> run from <u>Dublin</u> to Trafalgar when it was intercepted by a <u>Bretonia Armed Forces</u> patrol in the Cumbria Asteroid Field. They gave chase and he fled into a known gas hazard area. Unfortunately, his luck ran out that day when he encountered a particularly dense pocket. The ship still lies there, awaiting anyone foolish enough to knowingly enter a volatile gas zone.

### 2. Content:
