1. Description:

This small [Clydesdale](#) class freighter was owned by Zoner pilot Charles Lamb. Last report about this trader was more than three years ago when he was leaving [Planet Eton](#). Due the remnants of cargo found in this wreck it is very likely that he tried to perform independent smuggling in Corsair controlled space.

2. Content:

2x [DARK BLOSSOM Mk II](#), [Cardamine](#).

3. Location:
