1. Description:

Riffleman was an [Eagle](#)-class fighter used by a freelancer with clearance into [Coalition](#) space. Said freelancer was scouting the system and contact with him was lost. The fate of the pilot is unknown, as well as what exactly happened. The official version [Coalition](#) Investigation Center offers is a [Coalition Rogues](#) attack. However, the cargo left onboard, as well of the lack of the escape pod or its remnants onboard or around the Riffleman are major details disproving this.

2. Content:

2x [Flashpoint](#), [Diamonds](#), 10x Shield Batteries, 10x Nanobots.
