Stalker Missile Launcher

Table Of Contents

1. Description

Developed to recognize and better-track the evasive actions of target ships, during the early stages, the Stalker provides a remarkable advantage for its relative cost. Though delivering less of an explosive payload than many of its counterparts, this missile's strength lies in its deadly accuracy and dogged relentlessness in the field.

2. Stats:

- Gun/Missile Class: 1
- Shield Damage Per Shot: 122
- Hull Damage Per Shot: 244
