

Starkiller Torpedo Launcher

The Starkiller launcher deploys a devastatingly powerful torpedo that has enough destructive potential to severely damage a small station, and adversely affect any small craft caught in the wake of its blast radius. Despite its power however, the Starkiller is a slower projectile and so is considered by many to be most effective against equally as slow or stationary objects.

*Requires Starkiller Torpedo

Stats:

- Shield Damage Per Shot: 1.212
- Hull Damage Per Shot: 2.424
- Range: 1.500 m
- Projectile Speed: 285 m/s
- Refire Rate: 8 s

Price: \$7.833

Where to buy: Almost every base in Sirius.
