1. Description

Based on the same technology as the rest of the [CM](#) series, however the [CM-3](#) has a greater effective range against a wider array of ordinance. In addition to this, the [CM-3](#)'s anti-shock chassis better-ensures that this countermeasure survives as a decoy in the combat zone until can fulfill its purpose and is destroyed by the attracted ordinance.

2. Stats:

- Range: 1000
- Effectiveness: 90%

3. Price:

\$2500

4. Where to buy:
