1. Description

Local scientists have found the plans of several historical ships. One of these ships was the medium fighter Patriot. It was not possible to decode all information about the historical weapons, engines and thrusters because somehow parts of these plans got lost. Therefore some engineers came with the idea to mount modern VHF equipment on this ship. The result is a very agile and deadly fighter.

2. Stats:

- Guns/Turrets: 6/1
- Armor: 9.500
- Cargo Holds: 140
