

# Luxury Consumer Goods

There are always those with money or influence who demand items that will set them apart from - and above - those without their resources. For such individuals, Luxury [Consumer Goods](#) offer the ultimate status symbol and include big ticket items such as jewelry, designer clothes, and advanced [Optronics](#). All of these items are valuable precisely because they are rare, often fabricated from the most uncommon or difficult-to-obtain resources in the [Sirius Sector](#).
