1. Description

Freeport 4 was originally a Bretonian station that was abandoned but later reopened by unemployed miners from [New London](#). The miners eventually joined the Independent Mining Guild ([IMG](#)) and declared the station a Freeport, open to all. The population largely subsists on whatever income it can manage by selling [Water](#) and ice to the [IMG](#), freelancers, or anyone else who has the [credits](#), and by repairing the odd commercial [transport](#) damaged by asteroids or pirate raids.
