1. Description

Unfettered by colony law, Curacao is run by [Orbital Spa and Cruise Lines](#) as a pleasure planet where every whim and decadent urge is fulfilled. The only sound that can be heard over the lapping waves on its fabulous beaches is the tremendous outpouring of [credits](#) by its patrons. This is not a planet for the idle vacationer; it was established to cater to the affluent from [Manhattan](#) and [Los Angeles](#) who, in many cases, have more currency than morals.
