1. Description

Unfettered by colony law, Curacao is run by Orbital Spa and Cruise Lines as a pleasure planet where every whim and decadent urge is fulfilled. The only sound that can be heard over the lapping waves on its fabulous beaches is the tremendous outpouring of credits by its patrons. This is not a planet for the idle vacationer; it was established to cater to the affluent from Manhattan and Los Angeles who, in many cases, have more currency than morals.
