1. Description

The Southampton Shipyards are a massive assemblage of floating steel where most of the Bretonian naval fleet is constructed. The yard is organized around an enormous structure known by most employees as "The Bridge." The Bridge is a well recognized object of pride for most Bretonians, symbolizing the brilliance and dedication of the Bretonian people. Though Southampton is largely controlled by [Bretonia Mining and Manufacturing \(BMM\)](#) and the [Bretonia Armed Forces](#), it is frequented by almost anybody who has business in [New London](#) space.
