1. Description

Built out of the old framework of an abandoned [Republican Shipping](#) outpost, Freeport 2 was founded in 650 A.S. by displaced [Texas](#) settlers, [Hamburg](#) drifters, and a variety of other individuals looking for safe haven. They aligned themselves with the [Zoners](#) movement and its open-to-all philosophy, then purchased a series of [Synth Foods](#) biodomes for food production. The exploding demand for food from the adjacent [Texas](#) System and from local criminal elements has provided them with a steady market for their surplus. Aside from the [Zoners](#), [Xenos](#) and [Unioners](#) also frequent the station.
