1. Description

Built in 774 A.S., out of an old, abandoned mining facility from "the days when Liberty did its own mining", Barrow is a bastion of the [Xenos](#) cause against Rheinland. Any Republican ship seen passing is immediately tagged for destruction, something the [Xenos](#) refer to as "making more Rheinland widows". Also important to the economy of the base is interdicting hostile diamond shipments, mostly those of the [Rogues](#) or [Unioners](#). As a matter of fact, the base launches as many sorties against their hostile pirate brethren as they do against foreign shipping, making staunch opponents of both the [Unioners](#) and [Rogues](#) in the area.
