The Battleship Matsumoto is one of the newest, most advanced ships in the Kusari Navy. The ship has been deployed to the [Hokkaido](#) system to provide protection for [DSE](#) crews involved in the construction of the new [Chugoku](#) Jump Gate as part of the Kusari initiative of claiming and advancing into new systems, thereby provoking massive resistance of terrorist and other criminal groups believed to be using the system for refuge. The Matsumoto's task is to eliminate their presence.
