1. Description

Baden Baden is an idyllic world of large oceans, black sand beaches, and the odd hot spring bubbling from volcanic outcroppings of rock. [Orbital Spa and Cruise Lines](#) maintains a popular resort here, though it has seen a decline in business as the economic situation in Rheinland grows worse while radicals sympathetic to the [LWB](#) farmer's movement attack government officials who vacation here. Orbital has reportedly been trying to remedy the situation by attracting bargain-hunting Liberty tourists.
