1. Ship Info-card

New developments in cloaking technology as well as its speed make the Thanatos a very sought after ship for pirates and [bounty hunters](#) alike. Like it's namesake, the demon of death of ancient times, it operates best in murky waters and dark nebulae. The weak hull is more than compensated for by it's ability to evade numerous opponents at the same time.

2. Stats:

- Gun/Turret Mounts: 6/0
- Armor: 9.300
