Hidden in nebular clouds, this is the Home Base of the [Golden Chrysanthemums \(GC\)](#) terrorist organization from where they stage their attacks against the Kusari establishment using a nearby jumphole. Here they bunker their booty, stolen from all over Kusari space, trading with the [Outcasts](#) in the Tau-Systems for [Cardamine](#), which they use in their secret ceremonies. Due to the heavy presence in the system of [Blood Dragons](#) who they also assist, their hideout is still kept secret from the [Kusari State Police](#) and [Kusari Naval Forces](#), which the [GC](#) fights as only disdained women can.
