## 1. Description

One of the first large-scale projects undertaken by [Daumann Heavy Construction](#), the Oder Shipyards, is the largest in Sirius. In the past the majority of the Rheinland Navy was constructed in its massive bays, but after the destruction of the Navy during the 80-Years War and the economic crash that followed, [Daumann](#) has been forced to transition into the less lucrative fields of commercial and civilian ship construction.

## 2. Stats

- CLASS: Mosel
- GRAVITY: Partial
- DOCKING: Yes
