1. Description

Aomori Station is the major outpost of the [Gas Mining Guild \(GMG\)](#) in Kusari space. Initially built as an equipment depot for [Honshu](#) miners working the lucrative oceans of gas in the Crow Nebula, Aomori has been extensively expanded and renovated over the centuries. Once an exclusive agreement was signed with [Samura](#) in 330 AS for the distribution of Fuel, Aomori gained even greater importance as the main point of contact between the [GMG](#) and [Samura](#). However, the [GMG](#) continues to assert its independence, and Aomori Station is considered sovereign [GMG](#) territory.
