1. Description

Thames Outpost is populated almost exclusively by [Bretonia Mining and Manufacturing \(BMM\)](#) staff and workers. The [Bretonia Armed Forces](#) also keeps a small presence aboard in an effort to maintain a measure of security in the face of possible raids by pirates or criminal groups such as the [Mollys](#). While the outpost itself has little strategic importance, it does have a significant amount of valuable resources that are constantly transferred between storage bays and transports.
