1. Description

The sole Gaian base lies deep within the Islay Ice cloud at the northeastern edge of the [Edinburgh](#) system. From here, the eco-terrorists coordinate their attacks on their enemies within Bretonia space and in [Tau-31](#). Occasionally, raids are made on the center of all evil, [Planetform](#), Inc. headquarters on [Canterbury Station](#) in the [New London](#) System. Ironically, although they have strong [Cambridge](#) roots, there is no activity within that system.
