1. Description

Bruchsal is the sole base of the small but highly dedicated, by officials as terrorists deemed [Bundschuh](#) organization. Their intellectual origins and background is still to be seen in the sophisticated technology they offer only to their close supporters and friends. Originally built with the help of former miners [Red Hessians](#) as a quiet and secret meeting point and think tank, rather far away from their main aims [Daumann](#) and [Kruger Minerals](#), due to the uprising activity on the near [Planet Holstein](#) it has become a fighting and fought front fortress.
