1. Description

Leipzig Station is the main ore processing and smelting operation for [Daumann Heavy Construction](#) in [Dresden](#). A chaotic system of fierce tidal eddies and volcanic asteroids in an unforgiving environment; conditions aboard Leipzig are reportedly little better, with overcrowding a constant problem and industrial accidents common. Cargo runs are usually under heavy protection since their valuable cargo makes them a particularly attractive target for pirates.

2. Stats

- CLASS: Abbey
- GRAVITY: Partial
- DOCKING: Yes
- AMENITIES: limited
- POPULATION: 850
- OWNER: [Daumann Heavy Construction](#)
- SYSTEM: [Dresden](#)
