1. Description

This Station is the Corsairs main base for operations into bretonian space due to nearby jumpholes. Another task of its forces is to keep the Red Hessians at bay in the war for this system, that has become locked in what can be called a "trench war" at time being. More focused on their pirate activities in Bretonia their control over access to Omega-41 as their "home world border system" is somewhat lax.

2. Stats

- CLASS: unknown
- GRAVITY: complete
- DOCKING: yes
- AMENITIES: Yes
- POPULATION: unknown
- OWNER: Corsairs
- SYSTEM Omega-5
