1. Description

Freeport 5 was originally built by the Independent Mining Guild ([IMG](#)), but the base was subsequently abandoned due to the intense radiation that plagues the system. A small, particularly dedicated band of [Zoners](#) moved in soon after and declared the base Freeport 5. Despite being shielded by a planetary fragment, the intense radiation requires a constant influx of [Pharmaceuticals](#) for both the [Zoners](#) and those travellers unfortunate enough to become afflicted with radiation poisoning.
