## 1. Description

Freistadt Base is run by the Independent Mining Guild ([IMG](#)) to provide support for the mining of [Copper](#), [Cobalt](#), and [Silver](#) from nearby asteroid fields. Of course, the [IMG](#) asks few questions about where the ore was actually mined, and a few [Red Hessians](#) have been known to take advantage of that fact when selling their goods. [Gateway Shipping](#) handles most of the cargo runs from Freistadt, while [Deep Space Engineering](#) teams and members of the [Bounty Hunters](#) Guild are also frequently seen aboard.
