Until Freeport 10 was established in 760 AS by a band of <u>Zoners</u> looking to establish an outpost as far from the colonies as possible, <u>Tau-37</u> remained a virtually unexplored system at the distant edge of the <u>Sirius Sector</u>. Largely self-sufficient due to a <u>Synth Foods</u> biodome, the <u>Zoners</u> have continued the open-to-all tradition of the Freeports and play frequently host to members of the <u>Independent Miners Guild</u> as well as the <u>Outcasts</u>.
